Importantly, the garage presents a fantastic opportunity for conversion into a second reception room—whether as a cosy snug, a children’s playroom, or a dedicated home office—enhancing the living space significantly. Subject to minor works, a door could be added from the entrance hall to provide easy access and seamless flow.

Upstairs, four well-proportioned bedrooms provide flexibility for family life, guests, or remote working. The spacious primary bedroom exudes a restful ambiance, with plenty of room for wardrobes, and is complemented by a sleek en-suite shower room.
