A Picture-Perfect Thatched Cottage in the Heart of the Village

Tucked behind a traditional five-bar gate and framed by mature hedging and established trees, Tarifa Cottage is a truly charming and beautifully preserved detached thatched cottage, ideally located in the sought-after village of Shrivenham.

Set beneath a quintessentially English thatched roof, this chocolate-box stone cottage dates back to the 18th century and oozes character from the moment you arrive. The exterior boasts original stonework, white-painted timber windows, and a pretty bay-fronted entrance porch, all complemented by a spacious gravel driveway providing off-street parking.

DINER

You are welcomed via an enclosed Porch into the central Hallway, giving access to the principal ground-floor rooms. To the right, the impressive Living Room stretches the full depth of the house, creating a versatile and light-filled space perfect for relaxing or hosting.

To the rear sits a stunning Kitchen/Breakfast Room, fitted with modern units, ample workspace, and space for informal dining. Double doors lead to the Conservatory, a bright, tranquil spot with access to the garden. A separate Dining Room offers the perfect setting for family meals or entertaining. Two handy storage cupboards are also located on this floor.

The first floor of Tarifa Cottage offers charm and comfort in equal measure, with two spacious double bedrooms, a stylish dressing area, and a modern family bathroom.

The principal bedroom is a standout — bright, serene, and beautifully framed by sloped ceilings and triple-aspect windows. A bespoke dressing area with mirrored wardrobes adds both elegance and practicality.

The second bedroom showcases the cottage's heritage, with exposed beams, vaulted ceilings, and bags of character — perfect as a guest room or cosy home office.

A centrally located family bathroom completes the floor, featuring a full-size bath, overhead shower, and neutral finishes.

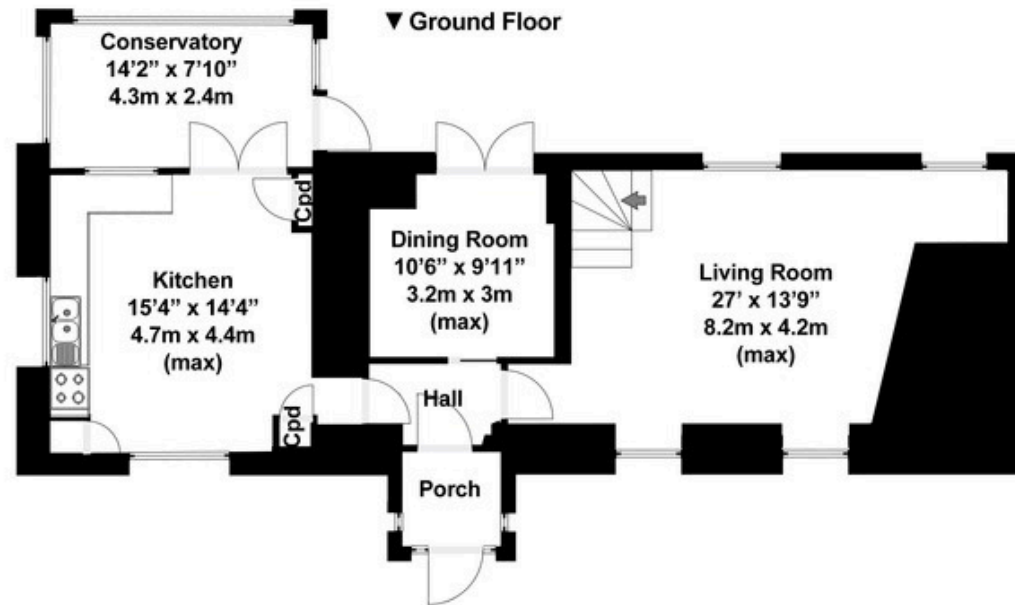

Shrivenham is a thriving and friendly village nestled on the edge of the Vale of White Horse. It offers a wide range of amenities including a primary school, local shops, traditional pubs, restaurants, and strong community spirit.

The village is well-connected, with Swindon and Oxford easily reached by car or public transport, and convenient access to the A420, M4, and local railway stations.
